

Addendum to Catalog for Summer 2013

The Saint Louis Christian College Catalog is published in even-numbered years. A brief Addendum is published in odd-numbered years containing announcements that are important to current and prospective students. The announcements in this Addendum update information contained in the current (2012-2014) edition of the Catalog.

Ministry Advancement Program – Page 46. Bachelor degrees now require 3 credit hours of MAP, a reduction of one hour from the previous requirement. A student who fails MAP in a given semester must retake that particular phase before advancing to the next phase. Students are no longer suspended for failing two semesters of MAP. A student must receive a C or higher in MAP to be considered for the Dean’s List and Honorable Mention.

Addendum to Catalog for Summer 2013

Summary of Curriculum (Bachelor Degrees) – Page 47. The change in required hours for MAP (see above) reduced the total credit hours required for a Bachelor degree to 126.

Associate Degrees—pp. 71-73. A total of 65 credit hours is now required for the A.A., General Studies, A.A.S., Intercultural & Urban Missions, and A.A.S., Preaching Ministry degrees.

Second Majors – Pages 46, 47. The faculty has instituted a two-stage procedure designed to assist students in clarifying and affirming their choice of a Second Major.

First, Faculty advisors discuss the matter with their advisees at time of pre-registration for their first term as sophomores. Advisors are given a simple protocol for this advisement focusing on students' sense of calling, giftedness, and vocational goals. Students complete a spiritual gifts inventory, the results of which are used in this advisement.

Second, students review their decision during Practicum Orientation class in the spring term of their Junior year. Using the original survey results alongside those of an updated version, the Practicum teacher leads students in reviewing and affirming their choice of Second Major prior to completion of their ministry internship.
