

ESSAY INFORMATION

Given that a student is more likely to experience success at an educational institution when there is a good match between the institution's mission and standards and the student's goals, please respond to questions 1-3 on a separate sheet of paper (100 word minimum for each of the following questions).

1. Please describe your spiritual journey. How have you become more serious about your Christian faith? How will attending SLCC help you on this journey?
2. What is it about the mission and core values of SLCC that relates to your personal goals? (Please refer to page 2 of this application for mission statement and core values.)
3. How do you feel your education at SLCC will help you reach your goals?
4. On page 2 of this application we are very specific about our Lifestyle Expectations as a student at SLCC. We have these expectations because we care about the spiritual and physical well-being of our students.
 - a. Do you agree to abide by each of the expectations listed? Yes ☐ No ☐
If yes, please proceed to question 4b.

If no, but you would still like to be considered for acceptance to SLCC, please feel free to contact the Dean of Students or the MAP Coordinator. In such a case, you may still complete this application and submit it. Your application, however, will be considered on hold until the Dean of Students or the MAP Coordinator verifies that you have had a discussion with them to explain your answer and formulate a plan to address whatever lifestyle expectation is at issue.

- b. Do you understand that any violation of these expectations may result in disciplinary action? Yes ☐ No ☐

I affirm all the information contained in this application to be correct and true to the best of my knowledge. I understand providing false or misleading information on this application may result in my rejection as a candidate for admission or grounds for dismissal from Saint Louis Christian College without refund.
