Saint Louis Christian College

MISSION STATEMENT

Saint Louis Christian College pursues excellence in the Word and develops servant leaders for urban, suburban, rural and global ministry.

CORE VALUES

Bible Knowledge - Saint Louis Christian College is a Bible college where every baccalaureate graduate pursues a major in Biblical and theological studies. The Bible's message informs our understanding of the purpose and predicament of human life, the history of the world, the nature and mission of the Church and the nature and goal of ministry. (2 Timothy 3:16-17)

Christian Character - Saint Louis Christian College believes that servants of Christ must live by the example and teaching of Christ. We believe that the classical virtues of wisdom, courage, self-control, justice, faith, hope and love are exemplified by the life of Christ. He, in perfect humility, taught us first to love God and then to love our neighbors as ourselves. The College's Code of Student Conduct reflects and encourages these values as do our hiring practices and academic programs. (John 13:15)

Ministry Skills - Because our graduates are called to be servant-leaders in their chosen fields of ministry, they possess the skills to relate to people of many backgrounds, the heart to serve them in their brokenness and the judgment to effectively apply the Scriptures to life's diverse situations. Students are challenged and helped to identify and develop their spiritual gifts and are placed in settings to practice those gifts skillfully. (1 Peter 4:10-11)

Christian Worldview - A broad base of academic knowledge is fundamental to becoming an educated person who effectively reasons and interacts in society. At the center of a Christian view of life and the world is the proposition that humans and the universe in which they live were created by the God who has revealed Himself in the Scriptures. God is the source of all truth, not just religious truth, and the Bible provides the basis for the ordering of all knowledge. The curriculum at Saint Louis Christian College integrates thought and life across a broad academic range and fosters in students a lifelong appreciation for the independent value of knowing. (Proverbs 1:7 and Luke 2:52)

Christian Community - Saint Louis Christian College is a diverse community of believers united by Christ in mission and purpose. The intimacy of our campus provides a unique atmosphere for developing lifelong relationships. However, our community extends beyond the boundaries of our campus and into the city in which we live, the church that we serve and the world we want to reach. (Acts 2:42-47) (See also Romans 12:4-8 and Ephesians 4:11-13)

LIFESTYLE EXPECTATIONS

Reflecting the lifestyle modeled and commanded by Jesus Christ - Since He is Lord, and His Word is truth, then His life and His commands should become our goal. Saint Louis Christian College expects all students, whether full-time or part-time, whether on-campus or commuter, to live by standards in harmony with the life and teaching of Jesus Christ.

Rejecting the lifestyle characterized by the world - Saint Louis Christian College students agree to abide by a lifestyle commitment to avoid the use or possession of alcoholic beverages, illegal drugs and tobacco products; to refrain from pornography, profanity, dishonesty, sexual immorality, unethical conduct, vandalism and immodest dress.

Respecting the Lord and each other - Saint Louis Christian College expects all students to demonstrate respect for the Lord by worshipping Him each Lord's Day. Servants of the Lord seek opportunities to serve Him outside the Saint Louis Christian College community. Respect for each other is demonstrated by avoiding sexual, racial or ethical discrimination or harassment.

Ministry Advancement Program (MAP) Saint Louis Christian College

The Ministry Advancement Program (MAP) is the Professional Field Experience (PFE) graduation requirement at Saint Louis Christian College. Students are required to participate in this class every semester they are enrolled at SLCC. It is a graded class for which students receive ½ credit hour per semester. The MAP field experience commitment can average five or more hours per week. It is important to keep this in mind when planning course schedules and other time commitments. This program is divided into three phases with a different syllabus for each phase. Students progress through the phases during the time they are pursuing their degrees at SLCC. An important part of Phase 1 for all freshmen and new students is the on-campus work requirement. This is a weekly commitment to work on the school campus. Additionally, all students at each phase are required to be active in a church, the community, and the life of the college campus as they progress from phase one to phases two and three. Attending chapel twice weekly, on-campus conferences each semester, and a week of mission experience in the spring are all part of providing a wide range of ministry interests for each student. The final goal for each student graduating from Saint Louis Christian College is involvement as a servant leader in some form of ministry. MAP provides student ministry opportunities so SLCC graduates will be equipped to serve within a variety of ministries.

Program Description

The Ministry Advancement Program (MAP) connects classroom instruction with practical experience. It is an on-going apprenticeship opportunity designed to develop each student's unique gifts and talents in the three distinct areas of student involvement: (1) community (2) calling (3) character. Students receive ½ credit hour per semester and a grade is given for the class each semester. This is a transferrable credit in the category of Professional Field Experience.

Program Objectives

1. Student growth through Community participation: (a) at SLCC (b) at a local church (c) within society.
2. Student growth in Christian Calling through spiritual and professional development opportunities.
3. Student growth in Christian Character through work.

Phase One Program Rationale

Phase One of MAP, designed for freshman and most transfer students, emphasizes Christian Character through apprenticeship work and ministry opportunities. Students must successfully complete two semesters of this phase before moving into Phase Two.

Phase Two Program Rationale

Phase Two of MAP emphasizes Community participation through apprenticeship work and ministry opportunities both on and off the SLCC campus. Students enter this phase after successful completion of two semesters in Phase One.

Phase Three Program Rationale

Phase Three of MAP emphasizes Christian Calling as students develop their leadership gifts and abilities through ministry to the church and community. Students enter this phase after successful completion of two semesters in Phase Two. There is no predetermined length for students in this phase. Students who have successfully completed Phase One and Phase Two will continue in Phase Three until graduation from SLCC.
